NEXUS ALUMINI

St. James College of Pharmaceutical Sciences,
St. James Medical Academy
Chalakudy - 680307, Thrissur District, Kerala

ABOUT THE COLLEGE

St. James' College of Pharmaceutical Sciences was established in 2004 by Catholic Diocese of Irinjalakuda, which has acquired unique position in providing Quality education in diverse fields. The college is committed with research programs in the field of clinical and pharmaceutical sciences through its research centre (DSIR Recognised, Reg No. 14/639/2013 -TU-V-TU-V). The college endeavours for the academic and extra-curricular growth and located in 10 acres of lush green landscape adorned by the chalakudy river, providing a serene atmosphere for the pursuit of academic knowledge.

ABOUT PHARMACY PRACTICE DEPARTMENT

The Pharmacy Practice Department was established in the year 2012 with the objective of optimising drug utilization & providing quality health care services. The Department is located in 450 bedded multi speciality St. James' hospital with Drug Information and Patient Counselling Centre. The department is participating in ward rounds, Public Health Programme, providing drug information and patient counseling & monitoring of Adverse Drug Reaction & Medication errors.

ABOUT THE SEMINAR

Global perspective on clinical pharmacy is an international seminar organised by St. James' College of Pharmaceutical Sciences, to reach various participants from pharmacy community to discuss and share about the highlights of recent developments, challenges and possibilities in the field of clinical pharmacy. The designed topics will have an overview on clinical pharmacy activity comparison between different countries.
