INTRODUCTION

The Catholic Church in India has a special role to play in the field of education, health care and social welfare of the Indian community, especially to the marginalized. Diocese of Irinjalakuda as a part of church in India has committed the same through different activities. Diocese of Irinjalakuda in connection with sacerdotal silver jubilee of the first bishop, Mar James Pazhayattil instituted St. James' Hospital trust and started a multi-speciality hospital in the year of 1989. In the year of silver jubilee of the diocese of Irinjalakuda (2002-2003) the trust gave birth to an offshoot "St. James' Medical Academy" with ten acres of land and building in the river side of Chalakudy. St. James' college of Pharmaceutical Sciences and St. James' College of Nursing are the institutions in the St. James' Medical Academy. St. James' College of Pharmaceutical Sciences established in the year of 2004. The vision and mission of Mar James Pazhayattil is continued under the relentless guidance of our patron His Excellency Mar PaulyKannookadan, Bishop of Irinjalakuda from April 2010 to till date. Msgr. Joy Pallikkara is the president of St. James' Hospital Trust. Rev. Fr. Paul Elamkunnapuzha, the founder director of St. James' college of Pharmaceutical Sciences took on his shoulder the great responsibility of establishing the college. At present, St. James' college of Pharmaceutical Sciences under the able administration of Rev. Fr. Varghese Pathadan – Director, Rev.Fr. TijoAlapatt – Associate Director, Rev.Fr. LijoKongoth – Associate Director, Rev.Fr. Thomas Elamkunnapuzha – Finance Officer and Rev.Fr. Roy Panikulangara –Assistant Director. Psalm 91

Those who live in the shelter of the Most High
will find rest in the shadow of the Almighty.

This I declare about the Lord

He alone is my refuge, my place of safety

He is my God, and I trust Him.

For He will rescue you from every trap
and protect you from deadly disease.

He will cover you with His feathers.

He will shelter you with His wings.

His faithful promises are your armor and
protection.

Do not be afraid of the terrors of the night,
nor the arrow that flies in the day.

Do not dread the disease that stalks in darkness,
nor the disaster that strikes at midday.

Though a thousand fall at your side,
though ten thousand are dying around you,
these evils will not touch you.

Just open your eyes,

and see how the wicked are punished.

If you make the Lord your refuge,
if you make the Most High your shelter,
no evil will conquer you

no plague will come near your home.

For he will order his angels

to protect you wherever you go.

They will hold you up with their hands
so you won't even hurt your foot on a stone.

You will trample upon lions and cobras
you will crush fierce lions and serpents
under your feet

The Lord says, I will rescue those who love me.

I will protect those who trust in my name.

When they call on me I will answer

I will be with them in trouble.

I will rescue and honor them.

I will reward them with a long life
and give them my salvation.

Prayer

There shall be showers of blessings
This is the promise of love
There shall be seasons refreshing
Send from savior above

Showers of blessings
Showers of blessings we need
Mercy drops round us are falling
But for the shower we plead (2)

More love, more power
More of you in my life(2)

I will worship you with all of my mind
I will worship you with all of my heart
I will worship you with all my strength

Oh! you one my Lord
Yes you one my Lord
