PROSPECTUS FOR ADMISSION TO M.PHARM & PHARM.D (POST BACCALAUREATE) COURSES 2016-2017

Published by

Kerala State Self-Financing Pharmacy College Managements Association (KSSPCMA)

Mr. P.P. Premkrishnan, President

Chairman & Managing Trustee, K.T.N College of Pharmacy, Puliyanamkundu P.O., Chalavara,
Palakkad - 679505

Adv. P. Krishnadas, Secretary

Managing Trustee, Nehru College of Pharmacy, Pampadi,
Thiruvillwamala, Thrissur Dt – 680597

INTRODUCTION

- i. The Kerala State Self-Financing Pharmacy College Managements Association (KSSPCMA) has decided to conduct a separate selection procedure for admission to M.Pharm and Pharm.D. (PB) courses 2016-2017, in the member colleges except for NRI seats and seats that may be set apart for allotment by the state, by individual Colleges.
- ii. The self financing colleges listed in this prospectus conduct 2 years Post Graduate course in Pharmacy (M.Pharm) and 3 Years Pharm.D (Post Baccalaureate) course as per the syllabus of the Kerala University of Health Sciences, Thrissur.
- iii. This prospectus is subject to modification, addition or deletion as may be deemed necessary by the association and subject to the Judgments of Honorable Courts of Law.
- iv. The prospectus contains the rules and regulations applicable to the seats to be filled by the Managements of the self-financing Pharmacy colleges to the M.Pharm and Pharm.D. (PB) courses for the year 2016-2017 for the colleges who are members of KSSPCMA.
- v. Each college will have its own policies of reservation **and the same will be stated in page allotted for the college.**

COLLEGES AND THE NUMBER OF SEATS

- i. The details of the member colleges offering Pharm.D. (PB) and M.Pharm courses with the specialization offered by the college and number of seats are given in the annexure-I.
- ii. The maximum number of seats in each college is as per the sanction obtained by each college from AICTE / PCI and affiliation from Kerala University of Health Sciences, Thrissur.
- iii. The government and the respective managements are in the process of negotiation for seat sharing. The current understanding is that the managements may permit the Government to fill up 50% of seats for M Pharm Course. Hence this prospectus is for taking of the balance 50% seats. In case no agreement is arrived at, the colleges will fill up the entire seats. Seats that may remain unfilled by the government also will be filled by the colleges concerned.

FEE STRUCTURE

The Annual tuition fees now proposed by all the member colleges is Rs. 1,55,000/- (Rupees One lakh seventy five thousand only) for M.Pharm and the annual tuition fee for Pharm. D (PB) will be as that of PharmD course, ie, Rs 190000/- (Rupees one lakh and ninety thousand only). In case the Fee Regulatory Committee decides on any lower fees, the matter will be taken up before the Honourable High Court and the ultimate fees will be as per the directions of the Honourable High Court. If the fee collected is in excess and any such directions, the same will be refunded or adjusted towards future fees.

FEE for NRI students

The fee for NRI student will be Rs. 2.0 lakhs per annum for the M.Pharm course and Rs. 3.0 lakhs per annum for Pharm.D (PB) course.

Discontinuation of the course and payment of liquidated damages

If any candidate discontinues the course after closing of admissions on 31/07/2016 as notified by the Kerala University of Health Sciences, Thrissur or such other date as could be decided by the competent authority including the court of Law, the candidate has to pay liquidated damages to the tune of full fee of the course. Students shall apply for the TC and Certificates after clearing all the dues.

ELIGIBILITY FOR ADMISSION

M.Pharm:

A candidate who has passed the B. Pharm degree examination from Kerala University of Health Sciences or an examination equivalent to of any other universities recognized by Kerala University of Health Sciences with not less than a total of 50% marks for the B.Pharm degree examination shall be eligible

for admission to M. Pharm degree course. The candidate should have undergone B. Pharm degree course in an institution approved by AICTE and PCI.

Pharm.D. (PB):

A candidate who has passed the B.Pharm degree examination of KERALA UNIVERSITY OF HEALTH SCIENCES or an examination equivalent thereto of any other University recognized by the Kerala University of Health Sciences with not less than a total of 50% Marks for B.Pharm Degree examination shall be eligible for admission to Pharm.D. (PB) course.

The candidate should have undergone B.Pharm in an institution approved by AICTE and the PCI. Candidates who have passed their B.Pharm course from Universities outside Kerala will be eligible for admission only if their qualifying examination is recognized by the Kerala University of Health Sciences, on the date of application/allotment. The candidate shall fulfill eligibility before last date of application.

Nationality: Candidates must be citizens of India.

HOW TO APPLY

Application Forms:

The Application form together with the information brochure can be obtained from any of the member colleges of the association, offering M.Pharm and Pharm.D. (PB) Course, listed in the annexure I, on payment of Rs.500/- (Rupees Five Hundred only) for each course, by cash or by sending Rs.550/- (Rupees Five hundred and Fifty only) by way of DD favoring KSSPCMA, payable at Chalakudy and to such candidates application form and prospectus will be sent by post. Request for application form by post should reach the concerned college latest by the 5PM of 30.07.2016. A candidate needs to buy separate application forms for M.Pharm and Pharm.D. (PB) course and the application obtained from college cannot be used to apply to another college. At the same time a candidate can apply to as many colleges as he/she prefers.

Submission of Application form:

Filled application form together with all the required documents should reach the concerned college on or before 30-07-2016.

List of copies of following self attested certificates/ documents to be submitted along with the application:

1. 12th/ 10th certificate in proof of the date of birth (Copy of SSLC or equivalent).
2. Mark list of qualifying examination
3. GPAT Score Card
4. Caste / Community certificate and Income Certificate to prove eligibility for reservation in the case of eligible candidates.
5. Candidates who have passed their B.Pharm course from universities outside Kerala must attach the Equivalency / Eligibility Certificate.
6. Candidates should enclose a self Addressed envelope (25x12 cm Size) affixed with Indian Postage Stamp worth of Rs.40 (Rupees Forty only) with set of Application form.

Note:

1. Applications received late will not be accepted.

2. Incomplete Applications will be rejected.
3. Candidates **should not** enclose any original certificate along with the application.

SELECTION PROCEDURE

Preparation of Common merit list and allotment of candidates:

M.Pharm & Pharm.D. (PB)

Admission will be done on the basis of the Score obtained by the candidates in the GPAT, from among the applicants with eligibility as mentioned above.

Remaining seats will be filled from among the applicants fulfilling eligibility criteria on the basis of mark obtained in B.Pharm Course (Aggregate of IInd, IIIrd and IVth Year B.Pharm). There is no separate mark for the interview.

Reservation of seats:

1. Reservation of seats if any will be as mentioned in annexure of respective colleges.
2. Minority Institutions will have the freedom to fix appropriate reservation to their community. Details are available in the respective annexure of the respective colleges.

Fee Concession:

Fee Concession will be given as decided by the individual managements / Institutions.

PUBLICATION OF RANK LIST:

A common rank list separate for M.Pharm and Pharm.D (PB) of all the candidates eligible for admission will be published on the Notice Board of the Concerned institution.

M.Pharm: In case of tie, considering the specialization in M.Pharm, applied for, the percentage of marks obtained in the specific subject of the final year B. Pharm will be added

to the total percentage of marks (Percentage aggregate of IInd, IIIrd and IVth Year B.Pharm), so as to calculate the rank. Eg:- If more than one student who have applied for M.Pharm Pharmaceutical Chemistry gets same percentage for B.Pharm, the percentage of marks for Pharmaceutical Chemistry in final B.Pharm will be added to the total percentage of marks to calculate the rank. If a tie still exists, the age of the candidate will be taken into account. The elder will be preferred to the younger.

1. **PharmD. (PB):** In case of tie, the percentage of marks obtained in the final year B. Pharm will be added to the total percentage of marks (Percentage aggregate of IInd, IIIrd and IVth Year B.Pharm), so as to calculate the rank. If a tie still exists, the age of the candidate will be taken into account. The elder will be preferred to the younger.
2. Furnishing false information/ particulars would result in the forfeiture of the candidature as well as cancellation of admission to the course and in addition, it will attract the relevant provisions of Criminal law of the land.
3. Seats lying vacant after the date fixed for the completion of admission will be treated as lapsed seats and can be filled up by the respective colleges from among the application received from the eligible candidates.
4. Allotment to the individual colleges will be made by the association on the basis of preferential options of the candidate.

ADMISSION PROCEDURE

1. Originals of all certificates / documents enclosed with the application should be submitted at the time of admission to the respective colleges.
2. The candidates shall pay full fees at the time of admission.

3. The responsibility of the association and the Office of the Controller of Selection and Admissions are limited to the conduct of the selection and admission procedure, publication of the ranks secured by each candidate, preparation of the common merit list and allotment of the candidate to the respective college.
4. Physical Fitness Certificate, Equivalency Certificate, Migration Certificate, Conduct Certificate and Transfer Certificate etc in original should be submitted at the time of admission to the respective colleges

REFUND/ ADJUSTMENT OF FEE

Fee refund will be as per the agreement with Government of Kerala if any or as per PCI norms.

In case of SC/ST candidates, they should remit their fees to the concerned colleges at the time of admission and the same will be refunded in case the Govt. pays the fees to the college.

OTHER IMPORTANT INFORMATION/ POINTS

1. No request for the change of selection processes will be entertained, nor the President will entertain enquiries with regard to date of Publication of the Rank / Results.
2. If any candidate discontinues the course after closing of admissions as notified by the President, the candidate has to pay liquidated damages to the tune of full fee of the course.

PROHIBITION OF RAGGING

3. Ragging in any form which includes harassment by word, action, gestures, intimidation, coercion, physical or mental insult/ assault, teasing etc, which are capable of causing mental/Physical stress or moral torture or agony to other students or staff inside/ outside the premises of the college or the hostel etc is strictly coming under the word Ragging and is prohibited in all the member colleges. All the member colleges are committed to abolish ragging in their campuses. Hence any student who indulges in any form of ragging will be subjected to the penal action as per provisions of law. Students and parents shall furnish an affidavit at the time admission, to the effect that the student shall not indulge in any form of ragging.
4. Use of Mobile Phone by the students is prohibited in all colleges of the association. Any violation will lead to disciplinary action as deemed fit will be taken by the college authorities.
5. Every student is required to assure strictly to the code of conduct and discipline of the institution to which he/she is admitted.
6. The application form shall be filled after reading & understanding of this prospectus.

Short write up of the Institution :

Nehru College of Pharmacy, an ISO 9001-2008 certified institution and is one among few of its kind, which is well equipped to facilitate research in Pharmaceutical sciences. It is recognized by Government of Kerala, approved by Pharmacy council of India and affiliated to Kerala University of Health Sciences. The college is situated in Gods own country in the banks of river Nila (Bharathapuzha) and in the hill shrine Thiruvilwamala, in a 40 acres vibrant lush green Campus. It is centrally located in Pampady, Thiruvilwamala, Thrissur District, which is well connected by road and rail from all near by towns including Thrissur, Palakkad and Perinthalmanna. Transportation facility from Thrissur & Palakkad is available for all the students. The serene, calm, pollution free surroundings, dissolved in the chill breeze make the climate salubrious and atmosphere conducive for effective learning. The energetic involvement of eminent professionals and pharmaceutical industry experts to teach the pharmaceutical sciences members who ensure that students in this institution are fully trained and groomed into disciplined, competent and qualified Pharmacists. High quality research labs with world class machineries, Wi-Fi with 10 Mbps(1:1) optical Fiber Internet Connectivity, an updated Library, herbal garden with various and rare species, Animal house with research facilities, the provision of Drug Information Service and separate hostel for boys and girls make it a cut above the class. Continuous interaction with pharmaceutical industries is maintained to ensure that the learning process remains relevant to the current trend in Pharmacy education. The institution has 15 UG, 8 PG and 3 research labs. The college also has well planned auditorium, conference hall and seminar halls with excellent audio visual effects. The Machine Room of Pharmaceutics, Analytical Instrument Lab of Pharmaceutical Analysis and Drug Information Service Centre of Department of Pharmacy Practice are applauded by all visiting dignitaries. The library subscribes to several national and international journals and possess a huge collection of text books. 'P.K.Das Institute of Medical Sciences', a 400 bed Super Specialty Hospital owned by Nehru Group of Institution caters to the needs of the students for carrying out Pharmacy Practice.

Short write up of the Institution

Al Shifa College of Pharmacy, a green campus, run by Shifa Medicare Trust, having various organizations and institutions is the realization of the dream of Civil Engineer, Mr. P Unneen. Managing Trustee SIMS, a great visionary who strived hard to establish college of international repute in his own native village. The college is located on 35 acres at Kizhattur village in Perinthalmanna taluk, Malappuram Dt. Kerala, with landscaped gardens and wilderness where students can interact with nature. Aesthetically designed buildings, spacious laboratories, Class rooms, Conference hall, Computer lab and a very good digital library with national and international journals constitute the infrastructure. Al Shifa College of Pharmacy, well known for progressive teaching in pharmacy was established in the year 2002 and has all the potential required to conduct pharmacy subjects as per AICTE and PCI/University norms. The College has started PG program in Pharmaceutics with an intake of 18, Pharmacy Practice & Pharmaceutical Chemistry with 10 each. AICTE has also approved to start M.Pharm (Pharmaceutical Analysis) with an intake of 18 subject to approval from Govt. We have full-pledged Pharmacy Practice Department attached to Al Shifa Hospital, Perintalmanna, for conducting preclinical, toxicological studies and field based population disease oriented studies with respect to Malaria, Tuberculosis and other relevant diseases in collaboration with Al Shifa College of Pharmacy. We are one of the few colleges in India which has been selected for the **Open Source Drug Discovery(OSDD)** by CSIR and has been approved for conducting research in tuberculosis. We have the **First Drug Information Centre (DIC)** in Malabar situated in Al Shifa hospital with trained staff and students. We have digitalized above 400 plants in and around Malappuram Dist having excellent herbal value, some of which are extinct and unknown species. We have various departments like Dept. of Pharmaceutics, Chemistry, Pharmacognosy, Pharmacology, Phytochemistry, Pharmaceutical Analysis and Pharmacy Practice. We have expertise and experienced staffs who are highly academically inclined and we provide services to Al Shifa Hospital.

SCOPE OF PHARMACY COURSE

Basically the course offers Graduation and Post graduation in Pharmaceutical Sciences which is the minimum qualification accepted for a registered pharmacist in most of the developed countries. This course teaches students how to prepare and dispense Medicine and make the students to convey the drug related information to the public. This course enables graduates to clear doubts about the prescriptions given by the doctors and can give more valuable more valuable advices on health care programmes. Pharmacy graduates are capable of evaluating drugs and drug use pattern

In the western countries, we understand diagnosis of the patients is done by doctors but the Pharmacists decide the medicines and their dosage. Therefore, Pharmacy graduates have important role and can earn attractive remuneration and can occupy strategic positions.

In the fast developing world, research and Development (R & D) in the pharmaceutical industry is progressing and advancing at a very high speed which calls for pharmacy graduates with attractive financial package in spite of economic crisis prevailing now.

Graduates can attain highest qualification like Pharm D and demand higher salary, Graduates can look into most advancing branches in Genetic Engineering, Bio informatics, Nano Technology, Nuclear Pharmacology, Nutraceuticals etc.

Career scope of Pharmacy Professionals

A career in pharmacy, unfolds a vista full of opportunities leading to a golden future for young career aspirant. The job opportunities, working conditions, job satisfaction and monetary benefits are excellent.

The various vacations pharmacy professional can opt, for, are discussed below;

Production & Manufacturing

A pharmacy professional can work as a production person (chemist, officer, executive, manager, vice president), involved in the production of bulk drug & intermediates or formulations and dosage forms.

Industries manufacturing cosmetics, soaps, toiletries and dental products also hire pharmacy professionals. Blood and plasma products as well as biological & biotechnological products are other areas with immense potential worldwide.

Production of biological & biotechnological products, surgical dressings, medical devices, equipment, ayurvedic/ homeopathic / unani / medicines, veterinary medicine, perfumery, fragrances, nutraceuticals also involve the presence of pharmacy professionals in their production.

Research & Development

This forms the heart of any industry, as it is the key to growth and sustenance. Mainly M.Pharms & Ph.Ds are in great demand in the various areas of pharmaceutical R&D, such as New Drug Discovery Research, Process Development, Formulation & Development, Clinical Trials, Bioequivalence studies and Toxicological Studies.

Analysis & Testing

Quality control (QC) and Quality Assurance (QA) are the most integral areas of the drug & pharmaceutical industry. Highly specialized and trained staffs are required to handle sensitive analytical procedures & sophisticated equipment. M. Pharm & Ph.Ds in Pharmaceutical Analysis / Quality Assurance are highly preferred for this job.

Marketing

The Pharma, Sales & Marketing is a technical field & offers excellent opportunities for the pharmacy graduates. An aspirant of highly future can enter through various openings like starting his own retail or wholesale drug store or becoming a professional sales representative (known as medical Sales Representative of M.R) to the levels of International Marketing & Exports. The monetary rewards and perks are the best.

Hospital Pharmacy

Like U.S.A. & Canada, this trend is already set in many hospitals in our country. The Pharmacist is the best-informed qualified drug expert whose advice is sought by everybody regarding the dosage, incompatibilities and side effects of drugs.

Community Pharmacy

This concept is rapidly catching up the Healthcare service in our country. A pharmacist becomes a vital link between the patients and the products i.e.; drugs.

Opportunities Overseas

Golden opportunities galore for qualified Pharmacy professionals in various countries. There are plenty of higher education and research opportunities in the developed western countries along with excellent job openings. The monetary job benefits abroad are highly exciting.

Academics

This is a profession associated with job satisfaction and social status as teaching is considered to be noble profession. The posts in the hierarchy are Lecture, Sr. Lecturer, Reader, Asst. Professor, Professor, Principal etc. The emoluments are satisfactory.

Regulatory Affairs

Locally the F.D.A. (Foods & Drugs Control Administration) is the main regulatory body governing and implementing the rules and regulations for the Drug & Pharma industry. The job opportunities range from the levels of a Drug Inspector (D.I), Asst. Drug Controller, Deputy Drug Controller, Drug Controller of state and finally D.C.I (Drug controller of India). A graduate in pharmacy is the minimum eligibility. Since, the business involved is worth multibillion dollars, this branch has assumed tremendous significance and is bound to grow enormously, in the Post-GATT era. Regulatory experts are thus in great demand. Similarly Patents and Trademarks, I.P.R. Experts are also high demand as far as the pharmaceutical Industry is concerned.

Self employment

Self employment can establish own manufacturing facilities and register the same.

Documentation, Library Information Services & Pharma. Journalism:

Most of the major Indian Pharma, companies have established separate Documentation Departments with a highly technical & skilled staff for this purpose. Similarly, the R&D and Q.C. Departments of the Pharmaceutical Companies need Library Information services. Pharma Journalism is already a very lucrative business in this field.

Consultancy

This is an ideal opportunity for highly technical and experienced professionals to earn handsomely as self-employed entrepreneurs, even after the age of retirement.
