Pharmacovigilance Programme of India (PvPI) Playing a pivotal role in establishing and developing a robust Pharmacovigilance system in India. St. James college of pharmaceutical sciences, Trissur is one the ADR monitoring center in Kerala under PvPI, Ministry of Health & Family Welfare, Govt. of India coordinated by Dr. L. Panayappan has been conducting awareness and training Programme periodically for the benefit of healthcare professional, students and teachers. In lieu of national Pharmacovigilance week 2021, we conducted a series of events to raise awareness of Pharmacovigilance among public during 17-23<sup>rd</sup> September 2021.

St. James College of pharmaceutical sciences had successfully conducted the continuing medical education on "Role of Pharmacovigilance in vaccine safety" on 17<sup>th</sup> September 2021. The Pharm D interns and Teachers of our institute attended this CME. During this event Pharmacovigilance associate Dr. Nandana Reghunath well explained regarding vaccine safety monitoring and reporting in this context of Covid 19. A significant improvement was noticed in the knowledge of delegates regarding importance of Pharmacovigilance and AEFI reporting. The feedback was collected from participants.

St. James college of pharmaceutical sciences organized a scientific awareness talk by Dr. Gayathri Govindaraju (Clinical pharmacist Kovai Medical Centre and Hospital, Coimbatore) on the topic "Importance and steps involved in ADR reporting" for Pharm D (4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> year), Pharm D P.B (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> year) and M-pharm Pharmacy practice on 22<sup>nd</sup> September 2021 (10.15am) in Zoom platform. The webinar was well appreciated by students and teachers.

We designed several ICT materials like Posters, and Pamphlets for the purpose of disseminating information and awareness relevant to the theme. Pamphlets and newsletters etc. distributed to outside pharmacy, patients, students and to healthcare professional during 17– 23<sup>rd</sup> September. St. James College of pharmaceutical sciences has conducted a sensitization Programme on adverse drug reactions and it's reporting to the patients in front of OPD on 23<sup>rd</sup> September 2021. Posters and pamphlets circulated in Pharmacy College also. Hopefully it will be useful in their future professional endeavors.
