World Creativity and Innovation Day	Organized by: IIC	3 hours	2025-2026	80

Report

IIC, St. James' College of Pharmaceutical Sciences observed World Creativity and Innovation Day on 23-04-2025. 9 students of VII Semester B. Pharm presented on the various topics related to innovative ideas in the pharmaceutical sciences field.

Mr. Varun Dev, Associate Professor co-ordinator of the programme welcomed the gathering. The programme was inaugurated by Dr. Krishnakumar K, Principal and IIC President, St. James College of Pharmaceutical Sciences followed by the presentations by the students. The following is the list of topics and the student's details.

Topic: "Repurposing of Old Drugs"

1. Aneena K Jaison
2. Anna Eldho
3. Ceya Chacko

Topic: "Accelerating Clinical Trials Using Virtual Technologies"

4. Angel Aju
5. Alan K Joy

Topic: "Nanotechnology in Drug Delivery System"

6. Anupam Gowri

Topic: "Pharmaceutical Industry Waste Water Management System"

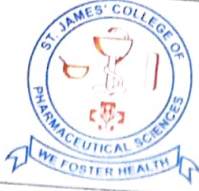

7. Annsweeta K Mathew
8. Agna Sebastian
9. Ameena P M

Students from VII Semester B. Pharm, IV Year Pharm D and V Year Pharm D and faculties attended the session. The session was informative and gave insights on the knowledge of students towards innovative approach in the field of pharmaceutical sciences. The participant students were facilitated with certificates of appreciation by Mrs. Amina Ali K, Professor, Department of Pharmacognosy. Ms. Ancena K Jaison, College Union gave the vote of thanks and session was concluded by Dr. Prasanth B, Professor, Department of Pharmacognosy and IIC Convener for the college.

“ Role of Self Speaking Resume and Competence in Communication for Career Development”.	Organised by: Training and Placement Cell(T &P Cell) Collaborating Agency: Star Gate Academy and Career Solutions, Angamaly Coorganised by IIC and IEDC	2 hours	2024-2025	83

Report

Training and Placement Cell has organised a training program on “ Role of Self Speaking Resume and Competence in Communication for Career Development” on 13/12/24. Dr Prasanth B, T and P Cell coordinator welcomed the gathering. Dr Krishnakumar K , Principal inaugurated the program. The Resource person was Mr Sharone K M, Administrative Officer, Sree Sankaracharya University of Sanskrit, Kalady. Sir explained in detail the formats for preparing resumes and how a self speaking resume play a role in the whole interview process. He explained how one can tailor communication to different professional contexts and sited it with different examples. Mr James S J, Rtd. Asst. Registrar, Sree Sankaracharya University of Sanskrit, Kalady & Managing Director of Star Gate Academy and Career Solutions, Angamaly have given a training regarding the significance of effective communication from the interviewers perspective. He also thrown light on different language testing exams as IELTS and OET and their training modalities. Ms. Theertha S V, Asst Professor proposed the Vote of Thanks.

Seminar on "Phytomedical Sciences: Innovations and Opportunities"

Venue : Multimedia Hall

Date and Time: 02/04/2025, Wednesday 10.30 am

Target Audience: I and III Sem M.Pharm ,VII Semester B.Pharm. & IIC student members

Resource Person:

Ms. Priya Prasannakumar

Microbiologist-R and D

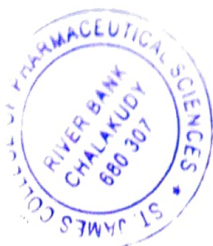

Oushadhi- The Pharmaceutical Corporation Ltd., Thrissur

Profile of the Resource Person:

With 15+ years of experience in academia as a Lecturer in Microbiology and Biotechnology and 8+ years in industrial R&D, She has dedicated her career to scientific research, teaching, and innovation. Her expertise spans microbiology, biotechnology, and Ayurvedic research, with a focus on antimicrobial studies, sustainable solutions, and bio-based interventions.

Key Research Contributions:

- ✓ Co-author of a prestigious book chapter published by Springer
- ✓ Development of an Ayurvedic medicated fabric rinse for respiratory infections (Global Ayurveda Festival)
- ✓ Fumigation interventions using Aparajitha Dhooma Choomam (Published in AYUSHDHARA)
- ✓ Antimicrobial efficacy studies of hand sanitizers developed by Oushadhi (AYUSHDHARA)
- ✓ Utilizing Momordica charantia waste as biofertilizer (Presented at the 32nd Kerala Science Congress)
- ✓ Exploration of phosphate-solubilizing bacteria (DBT submission)
- ✓ Ethnomedicinal plant studies for antimicrobial effects (UGC-sponsored project)
- ✓ Research on indigenous plant-based bio-pesticides (State-level paper presentation)

Report

The objective of the program includes the following

- To acquaint students with Innovative Practices in Clinical Pharmacy.
- To utilise the innovations of technology in the practice of Pharmacy.

Dr Prasanth B, IIC Convenor welcomed the gathering. Fr. Sojo Kannampuzha, Associate Director, St James' Medical Academy inaugurated the program. Dr Krishnakumar K, Principal and IIC President inaugurated the program. The Resource person was Mr. Jacob Nicholas: M.Pharm, Registered Intern Pharmacist, Michigan Dept. Of Community Pharmacy, USA. The speaker explained in detail the newer innovations in Clinical Pharmacy and Pharmacy Practice. Sir shared his experience in Community Pharmacy in USA as well. He introduced regarding newer softwares which can help the clinical pharmacists to excel in their practice. The importance of innovative practices which is essential in health technology is discussed. He urged students to make key contributions in the sector by making innovative concepts and apply advancements of AI in the practice. Dr Krishnakumar K, Principal and IIC President honoured the Resource Person with memento and certificates. Ms. Malavika Hariharan, V PharmD student proposed the Vote of Thanks.

Guest Talk

"Go Beyond Dispensing"

THERAPEUTICS | CLINICAL PROFICIENCY | LICENSURE EXAMS

Speaker

Jacob Nicholas ,M. Pharm, R. Ph. Clin. Pharm-Int-MDCH (USA)

Topics Covered:

- Therapeutics and Clinical Proficiency
- Licensure Examinations: USA, Canada, UK, Australia, GCC
- Introduction to Pharm Prep

Session Duration: 120 minutes

Who Should Attend?

- B. Pharm: 3rd & 4th year students
- M. Pharm students
- Pharm. D: 2nd year to Interns
- Faculty members are welcome

Why Attend?

- Gain insights into therapeutics and clinical practices
- Learn about licensure exams in key global regions
- Discover how Pharm Prep can help shape your pharmacy career
- Expand your professional network

IIC has organised a Seminar on the theme **“From Classroom to Career: Your Journey Ahead in Pharmacy”**

The event objectives were

1. To gain an insight into Opportunities ahead for B.Pharm and PharmD Graduates
- b. To motivate students to take up opportunities abroad by choosing the right course.

Dr Krishnakumar K , Principal inaugurated the program. The Resource person was Mr. Sony Akkara, International Certified Coach. Founder and Executive Director, Easy Link. The resource explained in detail the avenues of opportunities Pharmacy graduates are having in industry, regulatory affairs and marketing. He also stressed the importance of discipline and communication skills in Job Interviews. He also narrated the possibilities of higher education in Ireland and the scope of pharmaceutical science students in industries. He explained how an industry internship can be availed as part of higher education abroad and the services offered by Easylink in this regard.

Dr Krishnakumar K, Principal and IIC President honoured the Resource Person with memento and certificates. Ms. Anupam Gowri K, VII Semester B.Pharm student proposed the Vote of Thanks.

STUDENT SUPPORTIVE AND GUIDANCE PROGRAMME (SSGP)

Substance Abuse Awareness and Prevention Programme

Date: 12/09/2024

Speaker: Dr. Newton Luiz, MD DCH DNB FIAP, Paediatrician, Dhanya hospital, Potta.

Venue: College auditorium

Time: 02.00 to 03.30 pm

No. of participants: 113

Our college SSGP cell is organized a 'Substance abuse awareness and prevention programme "SPARK" (An IDA KSB WDC Project)' by Indian Dental Association Chalakudy branch on 12/09/2024, Thursday at 02.00pm to 03.30pm in our college auditorium. All the students and staffs attended the session. The awareness program lead by Dr. Newton Luiz, MD DCH DNB FIAP, Paediatrician, Dhanya hospital, Potta. Substance abuse is a critical issue on college campuses, affecting academic performance, mental health, and overall well-being. The programme aims to educate participants about the risks of substance abuse, promote healthy lifestyles, and provide support resources. This programme targets both students and staff to create a supportive environment that discourages substance abuse while fostering awareness and prevention strategies. All the participants actively participated in the program.

PERSONALITY TESTS, INTELLIGENCE TEST AND
PSYCHOMETRIC AND PSYCHOLOGICAL TESTS

The psychological tests conducted for college students aimed to assess various dimensions of mental health, personality traits, and cognitive abilities. This initiative was designed to promote self-awareness and mental well-being among students, providing them with valuable insights into their psychological profiles.

In our college, we are conducting personality tests, intelligence tests, and psychometric and psychological tests by a trained and experienced psychologist for our students. For this, we are conducting one-day analysis tests for each batch of our students. The psychologist will take an interactive class for students and perform a psychological, psychometric, and intelligence test on them, then the psychologist will give a detailed assessment report of each student.
